MANY PAY LAST TRIBUTE TO PIONEER

Ellensburg has witnessed few larger funerals than that of John P. **CLERF**, which was held at the Catholic church last Sunday afternoon. The attendance represented town and country and revealed the place Mr. **CLERF** occupied in the community. Father **SWEENS** conducted the services and the church was inadequate to hold those who would have heard him. The cortège to the Catholic cemetery was a very long one. A brief announcement of the death and burial of this man does not do him justice, for

Mr. **CLERF** was in many ways a remarkable man. A German, he mastered the language of his adopted country, and by his superior natural talents he mounted upwards, attaining a success that few native born men achieve. He was essentially a business man, and was of the kind of men who "do things". He seemed not to know the meaning of the word failure, and as a result, he generally achieved his aims. That he obtained wealth, with the qualifications he possessed is not at all remarkable, and in his death one of our most capable business men is removed.

AN OLD MAN WAS PROBABLY MURDERED

Charles **SMITH**, an old man of 80, was found in his shack near the Ellensburg creamery last Saturday morning with a number of bruises on his head and weak from loss of blood. He was still conscious and said he had been beaten but could not tell by whom. It was not at first believed he was seriously injured, but he died Monday evening. The clue to his assailant is slim, as it is known the old man was drinking and had some companions with him, and it is possible that his death was the result of a drunken brawl. **SMITH** was a section man and lived in a beastly fashion in a shack, spending more than he made, it is said, for liquor. The officers are still working on the case.

AN ELLENSBURG GIRL MAKES FINE RECORD

The many friends here of Miss Jasmine **BRITTON** will be delighted to learn that she captured the degree of Bachelor of Arts at Smith college, Northampton, Mass... Although she registered as from Catalla, Alaska, where her father lives, Ellensburg can consistently claim her, as it was here she attended school for years, and got started on her successful career... Miss **BRITTON** will spend the summer or a portion of it, here with her aunt, Miss L. H. **WHEELER**.

LAST OF THE NORMAL YEAR

The exercises incident to the ending of the present school year of the normal have, as usual, been well attended and enjoyed... The address of Rev. Alfred **MARTIN** was a finished effort and was a valuable feature. The reception given by Prof. and Mrs. **WILSON** to the faculty and senior class at their home was a charming affair ... The baccalaureate address of Henry L. **SOUTHWICK** of Boston in the auditorium... was listened to by a very large audience... In addition to a pleasing appearance, the speaker has a fine voice which he uses most effectively ...

THE GRIND OF THE COUNCIL

At the meeting of the city council last Monday evening, an adjournment was taken until Tuesday, after Wm. **GILLIAM** had been confirmed as extra policeman and similar acts were taken in regard to Chris **HANSEN**, appointed street commissioner and fire engineer. A compromise of the threatened damage suit of the widow of James **MALLON**, who recently fell on the sidewalk and died soon afterward, was affected by the agreement of the city to pay her \$600.
