

In September we introduced a new KCGS publication – ***The Mailbox*** as an additional, informal way for KCGS members to “stay in touch”. We now would like to publish the next issue but we need YOUR help!

What we have in mind is an issue using the theme of “**What’s Your Favorite Holiday Memory.**” When we say “Holiday” we are encompassing all the holidays from Thanksgiving through New Years to pick from. That should allow most everyone a chance to submit a SHORT memory to be shared in the newsletter. So here’s your chance to be “published!”

Some guidelines for submittals:

1. Entries should be short – no more than a paragraph or two.
2. Deadline for submittal is Monday, October 26th so newsletter can be put together for distribution about November 2nd.
3. Submittals should be emailed to storla98926@charter.net or via USPS to:
David Storla
1301 E. Radio Road
Ellensburg, WA 98926

Since we are still unable to meet together, I suspect nearly everyone could write a quick memory about their favorite Holiday memory to share with our membership. That’s an easy way to still stay in touch. It won’t take long! We really do need YOUR help if this is to be successful.

So, how about it, will you give it a try?
